# TRANSFER OF EARNED CREDIT BETWEEN INSTITUTIONS

Applicants for day and night classes, either full-time or part-time, who have attended other colleges, universities, or technical institutes, are responsible for having a transcript from each institution submitted directly to the Admissions Office. All courses with the grade of "C" or better are customarily accepted if they are applicable to the program selected at this college and if they were earned at an accredited college or university, at an institution within the North Carolina Community College System, or at an institution approved by the Dean of Instruction.

Credits transferred to STC from another institution will be recognized as hours toward the appropriate degree, diploma, or certificate but will not be calculated toward the cumulative OPR for that program.

Recipients of V.A. benefits must submit official copies of all post+ secondary education transcripts before they can receive V.A. benefits. Veterans are also urged to submit transcripts of

# WHAT ABOUT WITHDRAWING FROM THE COLLEGE?

If you want to withdraw from the College you must see your advisor who will help fill out a Registration Change Notice. You will need to get initials from the instructors from whose classes you are withdrawing. You will then need to get signatures from the Financial Aid Office, the Library, and the Veteran's Office. Bring your completed Registration Change Notice to the Records and Placement Office for processing.

An Official Withdrawal entitles you to a W, WP, or WF grade.

### ADMINISTRATIVE WITHDRAWAL

It is important to officially withdraw from the College. If you do not, and you miss ten consecutive class days without notifying your instructors, the instructors must fill out a Registration Change Notice (withdrawal form) on you. If this happens you will not be eligible for a W, WP, or WF grade. You will receive a failing grade.

# OBLIGATION TOWARD TUITION & FEES

Tuition and fees are due and payable at the time of registration. You will not be permitted to register for a new quarter or graduate if you owe the College any money. An exception may be made to this rule only if payment of the debt has been guaranteed in writing by a financially responsible person or organization.

If you have special difficulties, arrangements might be made with the Business Manager.

If you complete registration and withdraw before paying your fees and tuition, STC will make three attempts during the current year by letter or phone to collect your debt. If these efforts are not successful, Southwestern Technical College will turn your account over to the Attorney General's Office for disposition.

Remember, you will not be granted a degree, diploma, or certificate, nor will you be granted course credit, nor will your transcript be released until all financial obligations to the College, other than student loans, have been paid.

All previously incurred expenses and accounts, including library fines, must be paid before you can re-enter at the beginning of any quarter.

#### REFUND POLICY

Tuition refunds will not be made unless you are, in the judgement of the College, compelled to withdraw for unavoidable reasons. In such cases, two-thirds of your tuition may be refunded if you officially withdraw within 10 calendar days after the first day of classes. Tuition refunds will not be considered after that time. Tuition refunds will not be considered for tuitions of five dollars (\$5.00) or less unless a course or program fails to materialize.
